Dear Vickie and Jim,

Mary and Mike are using my typewriter during the campaign so I will have to go back to my writing. Mike will definitely be in the general election in November as he is unopposed in the primaries. He had a fund raising party in Kenton Friday night and it was very successful. We went with the baby and stayed for about an hour. Saturday night we had Donnelly's over for dinner and bridge and Sunday we went to a patio party at Marty's.

Last week was Seafair week and the arts and crafts show in Bellevue. The hydroplane races were yesterday. The weather has turned nice again but the evenings are cold.

George and Anabel Sanborn are here from New York. They are staying at the Holiday Inn so we picked them up when we went to Martys.

Our house looks real nice after being painted. Now the inside needs it.

Aunt Stella got a ticket for speeding up here on Clyde Hill and she is contesting it so her case will come up in court Sept. 15th. I will go with her.

We haven't gone fishing at all this summer as every week-end has been busy with other things.

Vickie, I am sure you enjoyed your visit at home and your class reunion must have been fun. I hope you like your job.

More later.

Love,  
Mom.
